

Dear student,

first of all thank you for choosing LABA Libera Accademia di Belle Arti of Brescia; here you'll find some information that we hope will be useful:

LABA offers Erasmus+ students the opportunity to follow First and Second Level Diploma courses, but if you are interested in Second level ones, please remember you'll have to check with your Erasmus+ Office if an agreement has been signed.

LABA offers seven First Level Diploma ( EQF 6) departments:

Design  
Painting  
Decoration (Interior Design),  
Fashion Design,  
Scenography( drama arts - cinema and audiovisual)  
Photography  
Graphic Design

And 4 Second Level Diploma (EQF 7) departments:

Interior & Green Design  
Innovation Design  
Industrial Photography  
Cinema and Audiovisual  
Digital Design & Communication

Courses taken in LABA's main building, in via Don Giacomo Vender 66

Courses taken in LABA's detachment site in Via Privata de Vitalis 1 (close to the train station).

Lesson time usually goes, Monday to Friday, from 09:00 a.m. until 17:00 p.m.

Students should arrive on time and **stay in LABA until the end of exams session**, otherwise a complete transcript of records will not be guaranteed.

Every academic year is composed by two semesters: the first one goes from October (precise dates will be given later) until very end of February, and the second one from March until mid-July.

Courses can last one year or just a semester, but remember in any case we ask all of our students to follow a minimum of 80% of every course, so that Professors can organize their classes as teams of students working together, and the presence of everyone is obviously fundamental.

All of LABA lessons are taken in Italian, so the Academy strongly advises Erasmus+ students to take Italian courses before coming.

**Please remind that LABA doesn't offer accommodation, so you'll have to search it by yourself and, since it's not very easy to find a room in Brescia, especially in some periods, it's recommended to start looking for a place as soon as possible.**
